The Man Who Planted Trees

SUMMER
ART EXHIBITIONS 2024

This summer, Hebden Bridge Arts will be celebrating the powerful short story '**The Man Who Planted Trees**' by Jean Giono. Alongside workshops, events & a community performance, we will hold three public exhibitions featuring work inspired by its four emotive themes; nature, legacy, rebirth & the power of the individual.

We invite you to submit your artwork inspired by these themes (all mediums, ages and experience accepted and encouraged!). Submission is free & via our website.

Exhibitions will be held:

Town Hall, Hebden Bridge 28 May–16 June

Holme Street Venue, Hebden Bridge 5–7 & 12–14 July

Project Colt, Elland Bridge, Elland 13–27 July

Deadline for submissions: 7 May for our May–June exhibition & 17 June for our July exhibitions.
